Veritas p10.2 SE

Special Edition

Flaggship with no limits

This speaker incorporates all abilities of the p9 SE adding a bit extra of sovereignty, power handling and bass fundament.

The tweeter is placed between two 13cm mid-bass units and two 21cm woofers on the front baffle building a double D'Appolito configuration. The physical symmetry of all drivers are lined up on the vertical axis of the front baffle, and fully synchronized to from a time aligned source of sound waves.

The cabinet is internally coated with a high damping material which avoids unwanted resonances.

The outstanding dynamic abilities and the holographic picture of the music give a perfect illusion of live music. When you have experienced the p10.2 SE, you will probably not want to miss it anymore.

The crossover is equipped with superior quality parts including and level adjustment for the mid- and high-frequency range.

Handmade in Germany

Technical Profile p10.2 SE

Power (Watts)			200 / 280
Rec. amplification (Watts)			170 – 400
Construction			double D'Appolito + Sub
Efficiency (dB 1W/1m)			87
Frequencyrange (Hz)			21 – 30.000
Crossover Frequency (Hz)			250 / 2.600
Impedance (Ohms)			4
Tweeter (mm)	Radiator	Scan Speak	26
Deep-Midrange (mm)	HDS	Peerless	2 x 130
Woofer (mm)	HDS	Peerless	2 x 210
Dimension (mm)		Height	1400
		Width	255
		Depth	370
Weight(kg)			40
Finishes:	mat black, piano white, piano black piano walnut
